MEMORANDUM FOR: Director of Communications

25X1 FROM:

Chief, Management & Liaison Staff, OC

SUBJECT: Weekly Staff Notes, 22-26 October 1984

1. The D/CO was provided a recommended rank order list of the 78 new positions allocated to OC in FY-85.

2. An initial \$65.265K in PRA has been requested through the DDA for FY-85.

3. Until the OC FY-85 allotment is received from the Comptroller, no adjustments can be made to the FY-85 operating budget. This is due to anticipated OMB cuts to the budget.

4. A blue plate on UHF and an update of the SKYLINK deployment map was provided to the Comptroller for inclusion in the Agency's FY-86 Congressional submission.

5. New Communications Services FY 87-91: Memorandums soliciting new requirements for costing for planning, programming, and budgeting purposes were signed by the D/CO. Responses are due back to OC 15 December. At that time we will turn over the requirements to the cognizant OC Divisions for costing. Responses as to whether OC will be able to accommodate these requirements or costing information will be prepared in time for other components to include the data in their respective submissions to the Comptroller.

7. NCS Activities: The Acting DD/CO, as the CIA Principal, voted to approve the draft letter from the NCS Executive Agent to the Assistant to the President for National Security on the NSTAC Working Group activities and recommendations.

25X1 8. We received another inquiry from the [ ] Support Officer  
25X1 on the subject of TCO assumption of Wang system administration  
25X1 duties at [ ] Offices. The officer has been waiting for  
25X1 OC to make some formal policy statement on the subject since the  
D/CO spoke on it at the [ ] Office Chiefs Conference nearly  
a year ago.

25X1 9. IMS/FSG has taken exception to two terms of the proposed  
25X1 agreement on OC's assumption of responsibility for the Wang  
25X1 service contract for the repair of [ ] equipment. The issues  
25X1 involve the procedures for funding the contract and IMS/FSG's  
unwillingness to transfer certain [ ]  
[ ] to OC. We are confident that these subjects can be  
worked out to everyone's satisfaction.
